# Abortionist Testifies: 'No Question' Babies Being Born Alive To Harvest Organs

By [Amanda Prestigiacomo](#) DailyWire.com

Last week, a California abortionist testified under oath that there is “no question” abortionists are allowing babies to be born alive in order to harvest their organs, a report from [LifeSiteNews](#) revealed.

Testifying during a preliminary hearing in the criminal case against undercover journalists David Daleiden and Sandra Merritt earlier in the month, Dr. Forrest Smith outlined gruesome details of the abortion business,
